**MIAMI BEACH, FL** - If you are interested in getting all your prescription medication either free or at very low cost, then this is going to be the most exciting message you'll ever read!

Here's why:

My name is Carlo Liggio. For 26 years, I've been successfully treating patients with a wide variety of ailments in Washington, DC, New York City, and now in private practice in Miami Beach, Florida. During this time, I've written thousands of prescriptions for my patients.

Recently (during the last decade or so) I've noticed the sharp and dramatic rise in the costs of the medications I prescribe. And, I've learned that many senior citizens often have to choose between eating and taking the prescription medication they need to live or function normally. Oftentimes, cutting their pills in half to make their prescriptions last longer... thus... not getting the correct dosage they need for proper treatment.

This is an outrage! And totally unacceptable to me as a med-

✓ **Shocking Truth Revealed!**

Why the U.S. has the most expensive drugs in the world! It's not what you think or what the powerful drug companies would have you believe. (For example: In 1999, U.S. drug companies spent \$13.8 Billion on this "X" factor... and... it has *nothing* to do with the quali-
