

# How to get what the U.S. Government OWES YOU!

320 almost secret ways to get something back for your tax dollars right away!

by Gary Halbert

Dear Taxpayer:

What do you get?

The "poor" get federal housing, food stamps, and other welfare benefits. The rich get oil depletion allowances, lower interest rate loans, and expense accounts.

What do you get?

The answer to that one is easy. **YOU GET TO PAY TAXES!** Isn't that nice? It is a bit depressing, isn't it? To work so hard for your money and then each year give Uncle Sam a bigger and bigger share of it.

What can you do about it?

Well, you could always cheat. Or move to another country.

But seriously, if you are already claiming all of the legitimate deductions you are entitled to, there is still something you should do. And that is...**MAKE SURE THAT YOU ARE GETTING EVERY PENNY'S WORTH OF GOVERNMENT BENEFITS THAT YOUR HARD-EARNED DOLLARS ARE PAYING FOR!**

Millions of Americans just like you are already collecting on them. For example, **RIGHT NOW**, you and your family may well qualify for one, several or all of these government benefits:

- \$5,000 in government loans at below market interest rates—if you know how to apply for the loans!

- Full scholarships and other financial assistance for education. Uncle Sam is paying good money just to locate deserving students!

- Low cost insurance. You can save hundreds of dollars with special government policies!

- A 5-acre vacation hideaway for you and your family. Prices begin as low as \$25 an acre!

- Social Security benefits before you reach your sixties. One and a half million children receive social security checks each month!

- Free employment assistance if you are having trouble finding a job because you're not a youngster anymore!

- Free help from the U.S. Secret Service to protect you against counterfeit

money and forged checks!

- Free plans and architectural designs for 12 different structures—from a 3-bedroom house to a boat landing!

- A \$25,000 start-your-own-business loan, with 15 years to pay it back!

- Free aptitude tests (that would cost you up to \$25) to find the job you are best suited for!

- 25% to 75% of your rent paid by Uncle Sam—if you qualify and know how to apply!

- Free government land to stake your claim when prospecting for gold, silver or other valuable minerals!

- Free government service to help you locate lost marriage or divorce records!

- Free protection for your children against hazardous toys provided by the government Office of Consumer Affairs!

- The right to enter a fabulous government sweepstakes—a public drawing to claim oil and gas rights to public lands. Profit potential ranges from \$5,000 to \$75,000!

You know, a person could fill an entire report just listing little-known government benefits that are available to every U.S. citizen. I know, because with the help of a friend, I did. It's titled **"HOW TO GET WHAT THE U.S. GOVERNMENT OWES YOU"**. It has 320 government benefits that most people have never heard of. But it doesn't just list them, mind you, it tells you how to get them! It tells you how to qualify, who to contact (including all necessary addresses) and what to say.

I am thinking about publishing the report in a hard cover edition selling for around \$8.95. Perhaps I will. But this has been a labor of love for me. And right now I'd like the satisfaction of immediately getting the information into the hands of as many short-changed taxpayers as possible. So I've had a local printer reproduce the manuscript in report form and bind it with a soft cover. And I am offering it, personally, direct, by mail, for only \$3.00.

If you are interested, please let me know right away as I have only

ordered a small press run.

P.S. If you don't take advantage of these benefits, you are only cheating yourself. After all, you've already paid for them. So, order today and see for yourself the hundreds of **FREE** and inexpensive things the government has for **YOU** and your family!

P.P.S. Two extra reports, **FREE**, when you order right away! Free Report No. 1: "Who To Complain to in the U.S. Government"—the complete details on who to contact when you have a problem! Free Report No. 2: "Directory of Regional and Local Addresses of U.S. Government Agencies—so you don't have to go to Washington to get information and satisfaction!"
