If you'd like to lose weight... *for real*. and... do it extremely fast (up to 10 pounds of fat and fluid in 2 days... then... up to 1 pound a day until you reach your goal) this is going to be the most exciting message you'll ever read!

Here's why: the woman you see in this picture is Deborah Scott. She is a 57 year old swim-suit model. She was born on March 24<sup>th</sup> 1950. She has two children. Her son Daniel is 34 and her daughter Rachel is 36. She has six grandchildren between the ages of two and eleven.

You've probably seen her swim-suit photographs in *Ocean Drive* and *Mademoiselle* magazines as well as *City and Shore*, *City Link*, *Destiny*, and *Play Bill* magazines.

Her photos have appeared all over Europe... especially in Paris... where Deborah recently finished a photo shoot for the *Fitelle Clothing Catalogue*.

As you may know, a huge percentage of the world's adult population is overweight. You may think models (such as

- Three reasons why you should never count calories... if... you want to lose weight

It contains every single get-thin-fast-secret used by Deborah and other top-models

(such as Deborah and other famous personalities) don't ever have to worry about weight problems. But, that is simply not true! In fact, quite often, they have to lose weight... and... lose it extremely fast! Sometimes losing weight for models is not an option because..

### Their Jobs Depend On It!

You see, if they show up for a photo shoot with a few extra pounds over their normal weight, the camera will pick it up and magnify it. Then, they might lose their careers forever!

But for years, there has been an almost top-secret collection of "Super-Model Diet Secrets" which only a very lucky few top-models know about and use to get thin fast... and.. remain slim enough to continue their careers. These secrets are truly amazing. Not only do they produce extremely fast weight-loss, they promote increased youthfulness, health and energy... at the same time. Best of all, these secrets work almost like magic.

For years, Deborah has felt it was a shame everyone in America didn't have access to these secrets.. especially since... so many people struggle with weight problems.

And so, she has finally decided to do something about this situation. Deborah has put every last one of these top-secret weight-loss tricks for losing weight and promoting health into a small easy to read book.

The book is called "Top Model Diet Secrets." And she is giving away a small number of copies absolutely 100% free. Here are some of the remarkable diet secrets you will find in this book.

- How to lose up to 10 pounds

extremely fast!

- How to cleanse, detoxify, and rejuvenate your body in less than 24 hours for under \$5!
- How to lose weight faster than if you went on a hunger strike!
- A simple secret that makes it impossible for you to ever overeat again!

• How to give yourself a teenage metabolism that burns away pounds and inches.. even while you sleep!

• Why you should eat all you want every other day to lose the maximum amount of weight possible! (This is contrary to almost everything you've ever heard... but... it works like crazy. Just try it and be prepared to be amazed.)

• 5 quick-start steps for losing up to 40 pounds in 30 days!

• The greatest beauty secret in the world!

• What you must do before you finish each meal... while you are still sitting at the table!
